Through the Years...*

Capital Carillon celebrates  
30 years of promoting  
the art of handbells  
to the Washington DC area

## Our History

Capital Carillon was founded by Ann Y. Schmidt in 1996 as the first community handbell ensemble in the metro Washington DC area. Ann continued to grow and develop the group for 10 years and we are grateful for her vision.

In 2006, D. Rob Kobus took the baton and directed Capital Carillon for 11 years as the group continued its mission to educate, enlighten, and entertain national capital area audiences through the art of handbell ringing.

Kerric T. Baird was appointed as Capital Carillon's artistic director in 2017 and he has continued to refine the group with musical excellence.

In 2026, Capital Carillon is thrilled to celebrate our 30<sup>th</sup> anniversary.

Thank you for joining us today!
